How to Profit Handsomely from Wealthy Tourists

The Secret to Making Big Profits from Wealthy Tourists

Dear,

Every business wants wealthy customers, right? This is certainly true for real estate investors and those in the tourism industry. There's one highly profitable secret we'd like to share, so read on if you're interested.

We are all looking for the way to combine valuable business opportunities with pleasure. We want that perfect balance which makes us feel happy. We also want to invest where wealthy people spend their free time. Investment in luxury real estate in Antigua, the tropical Caribbean island, is one of the rare opportunities to finally make it happen.

Daniel Bay is a small gated community on the southern coast of Antigua, the tropical Caribbean island. Not only is it the Yacht Capital of the World, it is also one of the top vacation spots for celebrities and celebrity watchers. Among them: Eric Clapton, Timothy Dalton, Oprah and Giorgio Armani.

One completed villa and four land plots are available for investors seeking the following:

- **A second home away from home.** Daniel Bay is a beautiful place to live any time of year.
- **Vocational property in a luxury travel destination.** The big money is where the rich go in their spare time.
- **Rental returns.** You can charge A LOT OF MONEY in this area.
- **Antigua and Barbuda citizenship.** A second citizenship in Antigua grants you more opportunities to make money plus extra asset protection. It also offers lots of visa-free travel privileges so that you can travel around the world.

The individually projected villas are offered starting from US\$3M.

The price of completed villas is US\$4.5M.

Investment in villas at Daniel Bay will also qualify you for citizenship in Antigua and Barbuda.

Why again do I need to invest in Daniel Bay?

Like I said, this is where the luxury tourism money is.

To sum things up: Antigua has been a top luxury travel destination for more than 40 years. Robert de Niro has chosen Antigua & Barbuda as a playground for billion dollar investments.

Real estate prices have quickly started to grow again after more than 5 years of post-crisis stagnation. A luxury villa in a prestigious area is a valuable and wise investment.

Investors may obtain new citizenship in Antigua and Barbuda and open new opportunities for wealth preservation and business development. Antigua & Barbuda has favorable taxation and reputable banks.
